Welcome to Hunan Balcory

In 1973, David Chan opened the first Hunan Balcory on Broadway and introduced his chef's Hunan Specialties, which were at once limited nationwide, Chinese restaurants throughout the U.S. now serve these classic specialties, but none as well as Hunan Balcory.

During the quarter century that his Hunan Balcory restaurants have been opened, David Chan not only has served great Chinese food at the most reasonable prices, but has also continually worked closely with his chef's to create fresh new dishes, bringing Chinese cuisine into this new age of health consciousness. At all the Hunan Balcory Restaurants, only vegetable oil and low sodium soy sauce are used, and MSG is never used in any of our cooking.

Today, David Chan proudly presents Master Chef Lin at Hunan Balcory Riverdale. Master Chef Lin brings to Riverdale his presentation of the classic Hunan specialties and the introduction of new dishes, never before served in the U.S., and which are sure to become classics in the next quarter century.
